

FORTHCOMING SEMINAR

WHAT HAPPENED AT OZZAWA 2008?

THE UNIVERSITY OF MELBOURNE CONTRIBUTION

TUESDAY 8 APRIL, 12:30 – 1:30 PM

AGNES DODDS

CO-CHAIR, 13TH OTTAWA CONFERENCE ON CLINICAL COMPETENCE

The recent Ottawa Conference was the largest medical education conference ever held in Australia. The Medical Education Unit made a significant academic contribution to this conference, but many interested people were unable to attend, or missed papers by colleagues and collaborators.

In this seminar, Agnes Dodds, co-chair of the conference, will give an overview of the conference, outline the Medical Education Unit contribution and introduce four projects representing the range of work reported at the conference.

The MEU Seminar series provides an opportunity for participants to interact with local or visiting speakers with special expertise in education for health professionals. An RSVP is required to assist with room preparation and you are invited to bring your lunch if you wish.

Watch for details of upcoming seminars at www.meu.medicine.unimelb.edu.au.
